Description

BD Micro-fine™ needles 4 mm - 32G

• BD code: 321105

BD spun-off their diabetes care business into a new company, embecta. BD pen needles and insulin syringes are now part of embecta, a global diabetes care company, which is the leading producer of insulin injection devices in the world. These products remain identical in manufacturing and quality, and are simply transitioning to new embecta packaging.

Compatible with most of insuline pens available in the market (Sanofi, Eli Lilly, Novo Nordisk, Sandoz, Viatris)
