LATHE GUARDS

CKH 02

SCHEDA PRODOTTO

Ultimo aggiornamento:
08/09/2026

CARATTERISTICHE
1. Iron plate for machine connection 2. Box with inductive sensor and led warning light 3. Emergency pushbutton 4. Aluminum telescopic profile – orange RAL2004

This device allows the key of the lathe spindle to be placed safely.
It can be secured only on the machine . Equipped with housing for the spindle key and inductive sensor which prevents the lathe motor to start when the key is not in. Also provided with an emergency pushbutton and warning light for key absence.
