EAN/UPC	8023279245615

Description

DRUG CUP READER with software and printer

Gima professional drug test reader digitally scans DOA urine cups and gets a complete analysis on touch screen.
It displays and prints the qualitative results only.
- automatic test menu recognition (2D barcode)
- in-process system quality control check
- memory card to store test data
- data management/export archived results

Main benefits:
- automation: it eliminates results interpretation variability/subjectivity
- accurate: performance advantages vs. visual interpretation
- user-friendly: fast results and automatic print
- portable design
- LIS connectivity

Built-in printer and software in GB, FR, IT, ES, PT, DE, GR, HR.
Supplied with print paper roll, power cord and adapter, EU adapter, calibration cup, touch pen and user manual in GB, FR, IT , ES , PT , DE , GR , HR.
