LED 15,000hr GLS

GLS (General Lamp Shade) is the common term for the pear-shaped lamps that have been the most popular design for decades. The most common type of GLS and used throughout this range, is the A60, which is 60mm in diameter.

As the most popular shape LED lamp, the GLS is a must-have in any lighting offering.

- 15,000 hour life
- 40,000 switching cycles
- Colour rendering index ≥80
- Opal, filament & tinted finishes
- 3 Colour temp; 2,700K, 4,000K and 6,500K
- 2 Caps; BC-B22 and ES-E27
- Recommend for indoor use only
