Description

Multiusi gel - 500 ml

Multiusi gel is an alcoholic gel for hands easy to use because it does not require water (Its special formula leaves the hands fresh, soft and pleasantly perfumed).
It contains +70% v/v ethyl alcohol.
It is indicated for specialists in the hospital and medical sector and also food operators.
The ideal product to use between medical examinations since it guarantees maximum hygiene.
Multiusi gel is used for precautionary purposes in case of contact with people or objects that are potentially contaminated, replacing water and soap.
Multiusi gel is essential outside and on travelling.
