3M™ NON PIVOTING BLADES - 9690 - for Surgical clipper (code 27054)

Single use clipper blade individually sealed.
Clipper blade for head and heavy body hair.

Technical Specifications

Features of the clipper (code 27054) with NON pivoting blades 9690
- Ergonomically designed handle that's easy to hold
- Easy-to-attach blade
- Quickly and effectively removes hair in trauma and neuro cases
- Away-from-the-skin cutting blade minimizes potential for nicks or cuts, which helps reduce the risk of SSIs (surgical site infections)
- Li-ion battery designed to hold a charger longer and battery indicator light
- Approximately 160 minutes of run time on a four-hour recharge
- Submersible for easy cleaning (meets IP X7 rating of submersible in water no deeper than 1 m for up to 30 min)
