Description

The new, easy to use, all in one upper arm blood pressure monitor.

Take accurate readings in any position around the upper arm and track progress via smartphone.
- All in one upper arm blood pressure monitor: no tubes, no wires, simply accurate
- Intellisense Technology: inflates the cuff to the ideal level
- Intelli Wrap cuff: for an easy and accurate reading
- Clinically Validated: proven reliability and accuracy under vigorous testing procedures by major health organisations.
- Cuff Wrap guide: indicates if the cuff is wrapped correctly, not too loose or too tight
- OMRON connect App: get connected, access anytime, see progress. Mobile application for iPhone / Android™.

Supplied with battery set, storage case, manuals.
Compatible with Alexa.

Multilingual box and manual: GB, FR, IT, ES, DE, NL, RU, TR, Arabic.

With standard cuffs, 1-in-3 people measure their blood pressure incorrectly. EVOLV's Intelli Wrap Cuff Technology ensures 360° accuracy in any position around your upper arm.

EVOLV can sync your readings to your smartphone to track results, monitor progress, and get a deeper understanding of your health.
See smartphone compatibility list on omronconnect.com/emea/en_gb/
