Description

HEINE MINI 3000 LED FIBER OPTICS (F.O.) OTOSCOPES

Mini 3000 LEDHQ F.O. otoscope
• Black
• Code HEINE: D-885.20.021
• AllSpec disposable Tips 10 pcs x 4 mm
• Battery handle (Batteries included)
• Hard case

Compact otoscope with especially bright illumination and authentic colour rendering due to LEDHQ (no need to ever change the LED). Exclusive design and sturdy housing.

Detailed view
- high-resolution images, minimal reflection
- 3x magnification
- reflex-free illumination of tympanum and ear canal due to fiber optic technology
- particularly bright due to LEDHQ
- operating time up to 10 hours

Intuitive operability and practical attachment clip
- it switches off automatically as soon as it is clipped to the pocket
- easy instrumentation. Viewing window fixed, can be swivelled to the side
- pneumatic eardrum testing by means of an integrated insufflation port
