Description

Comfortable and discreet all in one universal strap for fixing a urine bag, a urine bag tube or a catheter.

Special designed Z-strap is made of top-quality medical garment preventing irritations; silicone beading on internal side keeps the strap in place preventing any inconvenience.

- one size fits all (70 cm long), can be cut to desired size
- wide band (5 cm width), distributes pressure and weight better, especially for diabetics
- easy application, for nurse and user, fast wear and removal
- skin friendly, no use of adhesive / no need to shave hair
- fixing straps for drainage tubes to prevent slipping
- prevents injures caused by sudden movement
- fits all size of urine bags / leg bags
- reusable can be machine washed, does not shrink
- prevents pressure wounds, wide strap less pressure per cm2
