Description

GIMA-CARE TENS - 60 medical programmes

Dual channel multi-functional electrotherapeutic device generates electric stimulation to help easing aches and pain, muscle training and relaxation.
Easy to use, Gima-care has 2 pre-set treatment programmes with adjustable treatment time and 1 custom programme for each body part, allowing the user to adjust treatment time and pulse rate and width.

- 3 in 1 Tens + Ems + Massage
- professional tens waveform (variable pulse frequency and width)
- body part illustration
- 60 programmes (10 body parts, 40 levels)
- powerful output (max. 120 mA) (at 500 ohm load)
- solid and clear design

Continuous operation for around 10 treatments if fully charged.

Supplied with 4 pads 50x50 mm, 2 output cables, 1 USB cable.
User manual (GB, FR, IT, ES, DE).
